

SAVE CREW OF 87 WHO QUIT BURNING SHIP IN BOATS

Oiler Alameda Abandoned 50
Miles Off Cape Henry—
Naval Tugs to Rescue

NORFOLK, Va., Nov. 21.—Seventy-five men and twelve officers composing the crew of the United States oiler Alameda had to abandon the vessel fifty miles off Cape Henry at night when the ship caught fire. Wireless messages from the burning ship and from the steamships Palao and Bristol advised the Hampton Roads naval base that the crew had been saved.

The Alameda was bound to Norfolk to load Christmas mail for American soldiers and sailors overseas. She is a 10,000-ton steel vessel.

Three naval tugs, including the Kelweden, one of the most powerful fire-fighting craft in these waters, and the Coast Guard cutter Manning, were rushed to the assistance of the Alameda.

The crew made a heroic attempt to conquer the fire, but it spread rapidly and the decks became too hot for the men to work. There was danger also that the big-fuel tank would explode.

The crew took to the lifeboats and

were at the mercy of high seas for four hours. Answering the Alameda's calls for assistance, the Bristol and Kelweden sighted the signal of distress displayed by the men in the lifeboats and picked them up before going to the assistance of the burning craft.

WHEN CONGRESS WAS FOOLED.

You can't fool all the people all the time, but some of the people fooled all of Congress one time when they said the country wanted their kind of Prohibition.

CHICAGO OPERA CO. MAY NOT COME HERE

Mary Garden Proposes to Keep Organization in the West.

CHICAGO, Nov. 21.—Chicago opera in future will be a Western institution and will not be heard in New York, if a plan announced by Mary Garden, director of the company, is put into effect.

"Let the Chicago company fill the need for opera all through the West," said Miss Garden. "Let New York take care of the East."

Miss Garden intimated that the company's territory should extend to San Francisco.

"Our company, earned in San Francisco in two weeks a sum sufficient to make up the losses suffered in the New York season," she asserted.

FAME AND RICHES.

From the Washington Post.

"Isn't fame more to be desired than riches?"

"I'm not sure," said Senator Sorghum. "The head waiter where I board likes compliments, but they don't make him any the less anxious for tips."

GOES ON TRIAL FOR LIFE.

LAWRENCEBURG, Ky., Nov. 21.—Walter Griffy, twenty-seven years old and wealthy, will be put on trial in circuit court here today for the killing last April of his wife's alleged paramour, Euler Beraw, twenty-two, at Tyrone, this county. Griffy and his wife have been prominent in the Blue Grass section, as was Beraw. She is twenty-four years old and known locally for her beauty. Her friends are loyal to her, and Griffy and she were reconciled when she visited him in jail on the day after he killed Beraw. They are here for the trial, he having been released on a \$5,000 bond.

At his preliminary hearing Griffy said he and Beraw had been friends until he found his wife and Beraw in a locked room. He and Beraw then drew pistols, but she pleaded that they avoid a scandal, so they put their weapons away. She and Beraw, he said, promised to have nothing more to do with each other, and she went to a boarding house. One day he saw Beraw leave the house where she was living. He saw Beraw moved his hand as if to draw a weapon and he then shot him. Mrs. Griffy saw the shooting.

**IF KIDNEYS ACT
BAD TAKE SALTS**

Says Backache is sign you have been eating too much meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Too much meat forms uric acid which overworks the kidneys in their effort to filter it from the blood. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's waste, else you have backache, sick headache, dizzy spells; your stomach aches, tongue is coated, and when the weather is bad you have rheumatic twinges.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also, to neutralize acid so it no longer irritates.

Jad Salts is a life saver for meat eaters. It is inexpensive, cannot injure and makes a delightful effervescent lithia-water drink.—Advt.

Get Nerve Force from Nuxated Iron
It will strengthen your nerves and increase your stamina and endurance, often in two weeks' time. It contains the principal chemical constituent of active living nerve force in a form which most nearly resembles that in the brain and nerve cells of man. It also contains organic iron like the iron in your blood, and like the iron in spinach, lentils and apples. Organic iron enriches the blood and plenty of rich red blood means more nerve force, so that Nuxated Iron not only feeds what might be termed artificial nerve force to the nerve cells, but it stimulates the blood to manufacture a greatly increased supply of new nerve force. Get a bottle of Nuxated Iron today, and if within two weeks' time you do not feel that it has increased your nerve force and made you feel better and stronger in every way, your money will be refunded. Sold by all druggists.—Advt.
